**COVID-19 MESSAGE FROM CSRI
EFFECTIVE SATURDAY 3/28/20**

Updated Prescreening Criteria

1. All patients are pre-screened for COVID-19 during our scheduling process and when they arrive for their exam.
2. For the safety of our patients and employees, CSRI will NOT see patients with the following:
 - a) Positive for fever OR cough OR shortness of breath. Cough and SOB onset less than one month. (patients will be seen for cough due to COPD, Asthma, or Lung Cancer), OR
 - b) Those that have traveled internationally, to New York, New Jersey, Connecticut or on a cruise within the past 14 days, OR
 - c) Those that have been in contact with a positive COVID-19 patient
3. We're practicing and maintaining the highest standards of cleanliness and hygiene by staff and in all center areas.
